

## PRESS RELEASE

### **Regional symposium on Financial Stability**

***Rabat, December 12, 2017***

Bank Al-Maghrib organizes a regional symposium on Financial Stability on December 12, 2017 in Rabat, in coordination with the Finance Ministry's Treasury and External Finance Department, the Supervisory Authority of Insurance and Social Welfare and the Moroccan Capital Market Authority.

The event will be attended by international experts from the Financial Stability Board, the World Bank and the International Association of Insurance Supervisors. More than 160 senior officials from African central banks and financial authorities as well as Moroccan financial sector associations will also take part in this event.

The symposium will focus on the latest developments in the Financial Stability Board activities. It will also present Moroccan and foreign experiences with regard to the institutional, legal and coordination frameworks governing macroprudential supervision and financial stability.

Participants will also discuss the management of risks arising from the development of pan-African financial institutions and issues relating to cyber-resilience.
