Signature of a partnership agreement between **Bank Al-Maghrib & the Office des Changes**

Rabat, November 14, 2022

Bank Al-Maghrib and the Office des Changes (Foreign Exchange Office) signed today, Monday November 14, 2022, in Rabat, a partnership agreement aimed at setting a formal framework for data and experiences exchange in areas of common interest.

This new framework will also enable the two institutions to enhance their cooperation through joint work directed in particular at improving data quality and developing skills in statistics and data management.

The agreement provides for the creation of a committee, with representatives of the two parties, which will be entrusted with monitoring the implementation of the agreed action plan, on an annual basis.

This partnership reflects the common will of Bank Al-Maghrib and l'Office des Changes to promote their cooperation relations as regards experience sharing, best practices exchange and data reliability.
