Bank Al-Maghrib and the Bank of England hold a workshop on cybersecurity

Rabat, November 29, 2022

Bank Al-Maghrib and the Bank of England organized on November 28 and 29, 2022 in Rabat, a workshop dedicated to cybersecurity. This event falls within the framework of the partnership agreement between the two Institutions.

The event brought together nearly 30 senior executives who represented around twenty Central Banks from Africa and the Middle East. These experts exchanged their experiences and views on Cybersecurity.

The discussions focused on topics related to cybersecurity strategy, cyber protection, cyber governance and cyber resilience. The exchanges also focused on the application areas of cybersecurity in the IT systems, macro prudential supervision and oversight of financial market infrastructures.

In order to extend their partnership in this major field, the participants have agreed to set up a virtual exchange network operating in the cybersecurity related-fields.
