Bank Al-Maghrib Secures ISO Certification for its Management Systems

Rabat, January 29, 2025

Bank Al-Maghrib has received certification for all its Management Systems in accordance with the following international standards:

- Quality Management (ISO 9001),
- Occupational Health and Safety (ISO 45001),
- Environmental Management (ISO 14001),
- Information Security (ISO 27001), and
- Anti-bribery Management (ISO 37001).

This certification follows an audit conducted by a globally renowned audit firm. The certificate award ceremony took place today, Wednesday, January 29, 2025, at Bank Al-Maghrib's headquarters in Rabat. The event was attended by representatives of the auditing firm, presidents and representatives of other financial sector regulatory authorities, and officials from the Bank's internal entities.

Conformity with these international standards reflects several years of effort that led to the establishment, improvement, and integration of Bank Al-Maghrib's Management Systems through a structured approach that mobilized all the institution's staff.

With this certification, Bank Al-Maghrib reaffirms its commitment to sustaining and continually modernizing its Management Systems while also expanding their scope to incorporate other relevant standards applicable to the Institution's activities.
