Bank Al-Maghrib Publishes Two Working Papers

Rabat, October 9th, 2026

Bank Al-Maghrib has published two new working papers on its website, in the “Publications and Research” section. The papers cover the following topics :

1. [Central Bank Digital Currency: Challenges and Implications for Morocco](#)
2. [A DSGE Model for a Small Open Economy with a CBDC Option](#)

The publication of these papers aims to contribute to the debate on economic and financial issues and to strengthen ties with the academic and research communities.
